

Blux System W 20

By Sin Diseñador

Decorative Lighting

Wall lamps

Description

Articulated wall lamp designed in the late 70s in the style of the English school. The simplicity of its forms is reflected in its friction swivel joints and aluminum shade. Finishes: matte black, matte red or matte beige, and the inside of the shade in satin white. Also available with brass and copper shades that combine with the body of the lamp in black.
