Wall lamps

Description

C_Ball W Outdoor is formed by an opal glass sphere, the characteristics of which give it a high degree of resistance against UVA rays, as well as excellent light quality. The metal parts of this outdoor wall lamp are available in different finishes: black, beige, turquoise and a corten-effect finish. C_Ball Outdoor W completes the C_Ball indoor collection, comprised of a table lamp, a floor lamp, two suspension lamps and two wall lamps.
