Ceiling
lamps

Description

Large ceiling and wall lamp consisting of two concentric aluminum hoops that make up a short, circular lighting body. It is manufactured in two large sizes, with diameters of 120 and 90 centimeters, as well as in a 60-cm size. They all feature an acrylic opal diffuser that hides a direct-emitting and dimmable LED light source that is completely glarefree. Lite Hole is available in matte white, matte black, copper and gold.
