Lighting

Wall lamps

Description

Myn is a collection of wall lamps with a minimalist design that celebrates the beauty of simplicity. Its light is expressed in two complementary ways: gently reflecting off smooth surfaces (Reflector), or filtering through vertically ribbed glass to create a soft, diffused effect that adds depth and volume to the composition (Glass). The collection is available in two sizes: 45 cm (Myn W 45) and 90 cm (Myn W 90).
