Class		Light source included	Yes	Gross Weight1.80 Kg
Adjustable	DIM	Energy classification	G	
Casambi				
Certifications	EACULUS			

Description

Suspension lamp system available with different sizes of shade. The S shade is made in copper or brass and available in solid copper or brass finishes, both with a shiny exterior and a satin interior. It is also sold in a textured matte black or white exterior, combined with a shade interior in satin brass or copper. M and L shades are made in aluminium and available in solid textured white or matte black. The Speers single fixture lamps are available in a surface version (S1) or in a recessed version (SR1). The multiple fixture lamps (S2, S3, S4, S5 and S6) are only sold in a surface version and the flat canopies are always white or black. Speers lamps are equipped with a high-luminance LED light source. They include a glass lens that focuses the light and enhances its luminous efficiency. There is an optional opal diffuser providing general diffused lighting.

Finishes

SHADE	 Black (matte) / Brass (satin)	 Black (matte) / Copper (satin)	 Brass (shiny) / Brass (satin)
	 White (matte) / Brass (satin)	 White (matte) / Copper (satin)
