TR4 Pendant

THE LIMITED ANNIVERSARY EDITION

Celebrating two decades of innovative design and craftsmanship, Tom Rossau, introduces the TR4 Limited Anniversary Edition.

This sculptural pendant lamp, a refined evolution of the original TR4 created 20 years ago, embodies the essence of Rossau's journey in lighting design. Crafted from the brand's signature birch strips, the TR4 is a statement lamp and is honoring the brand's Copenhagen roots and its commitment to creating timeless, cozy atmospheres through light.
