Description

Celebrating two decades of innovative design and craftsmanship, Tom Rossau, introduces the TR4. Now both as pendant and floor lamp!

This sculptural pendant lamp, a refined evolution of the original TR4 created 20 years ago, embodies the essence of Rossau's journey in lighting design.

Crafted from the brand's signature birch strips, the TR4 is a statement lamp and is honoring the brand's Copenhagen roots and its commitment to creating timeless, cozy atmospheres through light.
