Description

Monolithic outdoor lamp with an asymmetric stainless steel reflector to provide a light that blends in with the surroundings smoothly. It comes in two sizes (100 and 320). Topa 100 has a single source of light. Topa 320 comes with one (320-1) or two (320-2) sources of light, providing a complete lighting solution for different areas in the garden. Its characteristics guarantee a total lack of glare. Made from galvanized steel, Topa is available with two finishes: galvanized or painted with a corteneffect finish. On request, it can also be painted in other colors.
