

Code	U7341		
Description	Low voltage 48V electrified track for ceiling, wall, suspension applications length 1m		
Year of production	2019		
Typology	plafone wall track system		
Material	aluminium		
IP grade	20		
Finishes	.01		White
	.02		Black
Allimentation	48Vdc		
Technical Data			
Net weight	1,52 lb		

EXAMPLE OF CONFIGURATION

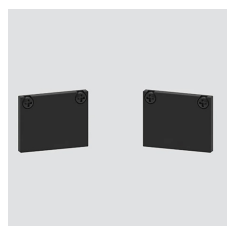

SYSTEM ELEMENTS

Power supply for 48V track

U7344

0,00 lb

Track end cap 48V

U7345

0,00 lb

Linear joint with contacts

U7346

0,00 lb

L-joint for 48V track

U7347

0,00 lb

Suspension kit for 48v track cable 2m

U7349

0,00 lb

Contactless linear joint for 48v track

U7350

0,00 lb

SYSTEM ELEMENTS

Cover for L-joint for 48V track

U7353

0,00 lb
